

is fresh air circulating throughout. In the winter months, we close the westerly windows, and heaters keep the kennel cozy. Dogs have free access in or out, choosing to play or to rest at will.

THE PLAY YARDS

The cushioned Astro-turf play yards directly off the bunk house rooms are large – 50' long and 24' wide. They are located on the leeward and shade-side of the building, so the structure blocks any strong winds, and offers natural shade all afternoon.

PRIVATE SUITES

Dairydell's Private Suites feature Western-style iron beds, comfy bedding and generous Astro-turf runs. Suites are heated or air-conditioned during the day, as the weather dictates, and a special area warmed by heat lamps is available for those dogs that like to be extra cozy.

ACTIVITY ARENA

Our huge covered arena is used for many of our special dog activities at Dairydell. Dogs can play Frisbee or fetch with staff, learn to maneuver through agility obstacles, perfect their off-leash commands and control with our trainers... even *herd sheep* if they are so inclined!

DOGGIE DUDE RANCH
AND TRAINING CENTER

Like No Other Place for Dogs!

DOGGIE DUDE RANCH AND TRAINING CENTER

Veterinarian Recommended!

The Ultimate Canine Destination!

We're located on a 120-acre dairy farm in the Sonoma County wine country, and our facility was designed to let dogs experience country life while they stay with us. Fresh air, room to run, cows and horses to watch.

When you step into Dairydell, it's like entering an up-scale dude ranch, with everything ranch-themed and stylish.

We describe our ambience as: "Martha Stewart meets Robert Redford".

ACCOMMODATIONS

Our horse stalls are Bunk House rooms, for social dogs that enjoy all-day group play.

Our Private Suites offer comfort and solace for older, or less social dogs. All rooms have sleep-

ing accommodations elevated slightly, so that NO dog sleeps on a hard floor.

The barn was built to take full advantage of our prevailing coastal breezes. Even in the middle of summer, there

Boarding & Daycare

The Doggie Dude Ranch

Dairydell's Doggie Dude Ranch boarding and daycare facility is on a real farm, with big, fenced fields and real fresh air. Your dog can stay in Bunk House accommodations, enjoying the daily company of other dogs, or in a more relaxing Private Suite, with at-will access to a either a quiet indoor room or generous outdoor run. The Private Suites are perfect for older, or special needs dogs.

Private Dog Park "Maddie's Mountain"

All the fun of a public dog park, with less risk and uncertainty. Member dogs are screened for sociability and owners are held to a responsible Code of Conduct. Vaccinations must be kept up to date. In the park there are over two acres of multiple play yards to accommodate all dog sizes and play styles – even tiny dogs. The play fields are real grass, securely fenced for off-leash fun.

Training & Live-In School

or Group Classes

Dairydell has achieved a reputation of excellence through its unique and much-acclaimed program of natural dog training and voice control.

Since 1989 owner and trainer, Camilla Gray/Nelson, has developed her special training style featuring "quiet power". She has helped thousands of dogs and owners, from the local Bay Area to as far away as Hawaii and New York City. Clients can choose either live-in Finishing School or Group Obedience classes. Finishing School dogs stay at Dairydell and are professionally trained to fully develop their potential. Group classes meet once a week, with owners bringing their dogs and receiving guidance on how to train at home. For puppies, our "Good Start" series teaches manners, socialization and beginning commands.

A Canine Experience

Unlimited Fun!

This is not your average boarding kennel. This is a canine experience, with activities to soothe the soul, stimulate the mind, and exercise the body.

While your dog stays at Dairydell, choose from an array of activities and services that will maximize his fun. If he is nervous or anxious, arrange for relaxing canine massages with calming essential oils. If he is an athlete, sign him up for daily Frisbee sessions or time on the agility obstacles. If he's a water-lover, daily swimming in the saltwater pool should float his boat. Herding dog breeds will also find their ultimate canine adventure at Dairydell – a guided session with sheep! For older dogs, consider more sedate adventures, like Nature Walks around the ranch.

Grooming & Salon

The "Dirty Dog" Salon

"Whine" Country Tour 'n Train

You can either pick your dog up for daytime fun at the beach or elsewhere... or have him stay and be trained while you enjoy the local sites.
