BOARD & TRAIN MAINTENANCE

"We are a woman-centric company, so our training reflects a mother-like teaching style that is firm, fair and friendly."

Monthly Maintenance Classes for Board & Train Grad & Their Dogs

To better serve our Dream Dog™ Board & Train graduates, our monthly maintenance classes have had a Total Makeover! Now each month will have its own theme, and each class within that month will be geared for either on-leash OR off-leash grads and include Holiday preparedness exercises when appropriate. We will even be including special HOLIDAY training exercises for Halloween, Thanksgiving, Christmas and 4th of July!

"Dog training at Dairydell is an experience like no other."
